## THIS LADY OBEYED HER HUSBAND

In Matter Where Her Happiness Was at Stake, and Is Mighty Glad She Did.

Sheldon, S. C.—In advice from this town, Mrs. J. B. Marvin writes as follows: "For more than three years, I suffered with womanly troubles, and none of the different treatments I underwent, seemed to do me any good. I also had pains in my left side, so bad, at times, I could hardly get up. My husband told me to buy some Cardui, the woman's tonic, and I did. I started taking it, and soon began to feel better. I took only a few bottles, and now I am perfectly well, and able to do anything."

Cardui has done me a world of good. It certainly cured me of the trouble I had and I am getting along nicely. I have recommended the remedy to other sufferers, and they have all been benefited by it.

I will always keep Cardui in my home for use in time of need."

Cardui is a purely vegetable remedy, containing no harmful mineral products. Its ingredients act in a helping, building way, on the womanly constitution. It has been relieving womanly troubles, for over half a century, during which time, it has proven of more than ordinary value as a tonic for weak women.

You can rely on Cardui. It will do for you, what it has done for thousands of others. It will help you. Begin to take Cardui today.

## ECZEMA DISFIGURED FACE BADLY

Also on Hands. Broke Out in Pimples. Itched Badly. Spread All Over Body. Cuticura Soap and Ointment Cured.

Hampton Springs, Fla.—"I had had eczema on my face and hands for about three years. My face was badly disfigured. The eczema broke out in pimples and itched so very badly I would scratch it all the time. It was the most irritating disease I have ever had. It started on my face and hands and it spread all over my body. I had great large sores all over me, caused from the eczema. It bothered me day and night so that I could not rest at all."

"I used three remedies for skin disease and they didn't give relief at all. I was almost terrified until a friend recommended Cuticura Soap and Ointment to me. They helped me from the time I started to use them. I used Cuticura Soap and warm water as a wash and then put the Cuticura Ointment on the sore places. I only used two cakes of Cuticura Soap and two boxes of Cuticura Ointment and was cured." (Signed) Mrs. E. C. Parker, Dec. 7, 1912. When you buy a fine toilet soap think of the advantages Cuticura Soap possesses over the most expensive toilet soap ever made. In addition to being absolutely pure and refreshingly fragrant, it is delicately yet effectively medicated, giving you two soaps in one, a toilet and a skin soap at one price. Sold throughout the world. Sample of each mailed free, with 32-p. Skin Book. Address postcard "Cuticura, Dept. T, Boston."

### Automobiling

A night trip from here to Deming, N. M., in an automobile, is most interesting than touring California. In the opinion of H. R. McClintock, who, after visiting Deming and other New Mexico towns, has returned. The trip from El Paso to Deming was made in five hours. On the return trip Mr. McClintock, in his Hudson 37, left El Paso at 5:45 o'clock in the afternoon, reaching here at 9 o'clock that night. There were any number of rabbits seen along the road. The headlights of his machine, Mr. McClintock said, apparently dazzled and blinded them. At one point of the journey, he crossed the road and when the light fell full on him, the cat stopped. The animal stood still until the automobile had passed. Mr. McClintock said that last summer he toured California in an automobile, but enjoyed the New Mexico trip more. The roads, he stated, were good. Mrs. McClintock accompanied Mr. McClintock.

Mr. and Mrs. Charles B. Stevens and Mr. and Mrs. Geo. R. La Baron in Mr. Stevens' Chalmers "6" and Mr. and Mrs. E. P. Jackson in the Studebaker left Thursday morning for a trip to Roswell, where they will camp for about two weeks. They will also run over to Roswell and other towns in that section.

### Advice To the Lovelorn

By Beatrice Fairfax.

#### WAIT FIVE YEARS.

Dear Miss Fairfax:  
I am 31, and am very much in love with a girl of 20. She loves me very much, and we would gladly marry, the only objection, being a clause of her father's will, which states that she must wait five years before she can marry before the age of 25. She is willing to lose the legacy, but I can hardly bring myself to the point of letting her make the sacrifice.

His father's last wish was that she should not marry until the age of 25, and he must consider that, though no legacy attached. The five years of waiting will not be long if you sincerely love each other, and I trust you love her so much, you will insist after marriage that her little fortune remain personally hers, and not be dribbled away on rent and bacon.

#### IN A DIFFICULT PLACE.

Dear Miss Fairfax:  
My girl friend and her friend and my friend and I have been in the habit of going out together. Her friend seems to pay more attention to me than she does to her. She noticed this and mentioned it to me, and I said it was not my fault. We have worn each other's rings for years and have been dear friends. She asked me for her ring and gave me mine. As she is a dear friend to me, and as I do not wish to win her gentleman friend, will you kindly advise me how I should act toward her? H. L. T.

As a future plans that indicate all four of you, and if this is not always

### Lesson in Scientific Complexion Renewing

(From The Family Physician.)  
Everyone has a beautiful skin underneath the one exposed to view. But in mind and it will be easier to understand the correct principle in acquiring a lovely complexion. The longer they remain the more soiled or repulsive as in repulsive that the immediate cause of a "bad complexion."

**HEALTH RESTORED BY ECKMAN'S ALTERNATIVE**  
If you are a sufferer from Glandular Tuberculosis, or know of anyone so afflicted, it might be well to investigate this case, where the writer declares after a year of suffering, he found permanent relief and full recovery to health by using Eckman's Alternative, a medicine which has been effective in many cases of Tuberculosis.  
"157 Larnston St., Phila., Pa."  
"Gentlemen: In March, 1909, my doctor pronounced my case 'Tuberculosis in the Glands,' and a number of operations in a hospital failed to benefit me. In the meantime, a friend of mine advised Eckman's Alternative. The wounds in my neck were still open and in a frightful condition when I started to take it. After using two bottles I found it was improving, having gained weight, could eat and was able to sleep. I continued using it until I was well, which was in November, 1910. Before I took the medicine I had three hemorrhages; since I have been taking it I have not had any. On November 11, 1910, I started to work, and since that time I have not lost one day's work through sickness. I highly recommend Eckman's Alternative to anyone who is suffering from Gland trouble."  
(Above abbreviated; more on request.)  
Eckman's Alternative has been proven by many years' test to be most efficacious in cases of severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stomach Colds and in upbuilding the system. Does not contain narcotics, poisons or habit-forming drugs. For sale by Kelly & Pollard, Knobelach Drug Co., People's Drug Store and other leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.—Advertisement.
